

FLOWERS OF THE DESERT

An artist's residency in the Pilbara desert informed much of these new paintings by Gian Manik, in which he has used photographs of shiny and reflective surfaces to create abstract works rich in colour and intensity.

Gian Manik, *Balcony and Fluoro* and *Sheepskin and Pilbara*, Arterreal Gallery, 747 Darling St, Rozelle; until July 1, Wednesday-Saturday 11am-5pm, free, arterreal.com.au
